¹ As of June 30, 1962.

The numbers in this column are the units representing the assigned share for each trust fund in the total holdings of the General Investment Account. The unit value is reappraised periodically. As of December 31, 1962 each unit was valued at \$1.34.

^{*} The General Investment Account was established by the Trustees on December 1, 1950 to enable the investment of the principal of trust funds as a group, rather than by individual fund.
